

BEAVER COUNTY RIGHT-OF-WAY ENCROACHMENT PERMIT APPLICATION

I, _____, of _____ County, State of _____,

hereby apply for a Right-of-Way Encroachment Permit from Beaver County, in order to construct

a _____ (Pipeline, power line, etc.) across a Beaver County

RIGHT-OF-WAY known as _____ (Location of encroachment,

enclose a map). The encroachment proposed will be _____ feet wide and _____ feet long.

Applicant acknowledges that Applicant shall repair the aforementioned Beaver County
RIGHT-OF-WAY to its condition prior to the encroachment at Applicant's own cost. Applicant
agrees that Beaver County may hold the bond posted herewith for a period of one (1) year after the
above mentioned repair is completed. If the repair proves adequate for that one year period, then the bond
will be refunded to the Applicant in full.

Dated this _____ day of _____, 20 _____

Applicant's Signature

Phone Number: _____ Email: _____

PERMIT

We, Kyle Blackner, Beaver County Encroachment Officer, Stetson Yardley, Beaver County
Road Supervisor, after reviewing the foregoing Application, and believing that the Applicant is
fully aware of the requirements, do hereby grant the Right-of Way Encroachment Permit on behalf
of Beaver County.

Beaver County Encroachment Officer

If approved the application must be given to the contractor performing the work.

A meeting with Beaver County Road Supervisor and the contractor must take place before construction begins. Encroachment to be minimum 24" deep and must be placed on outer most edge of ROW. No digging in asphalt. All crossings must be bored. If a County Roadway is crossed or excavated must be a depth of 36", the roadway must be re-compacted to 97%. A compaction test may be required upon request of Beaver County. "Road Work" or "Road Closure" signage required during excavation stage.
